

SPIRIT BUTTONS

PTA is selling spirit buttons this year for \$2.00. Students can wear their spirit buttons every Friday. Mrs. Romo or Mrs. Wolfe will pick 5 numbers on the morning broadcast. If the student is wearing their button when their number is called, they will receive a free snack coupon for SNACK FRIDAY!! Spirit buttons will be sold all year through the PTA and students can buy as many buttons as they want! Just send in this order form or an envelope to the office labeled PTA, with the money, quantity, teacher's name, and student's name and we will send the buttons home with your child. The PTA will not keep track of each child and their number. We will only keep track of the numbers sold so that those numbers can be added to the pot to be picked from on the broadcast. We encourage parents to write your child's name on back of the button in permanent marker for easy identification in case the button gets lost.

Thanks,

Sarah Pye
Spirit Button Chairperson
